About UroGen Pharma Ltd.

UroGen Pharma Ltd. (Nasdaq:URGN) is a clinical-stage biopharmaceutical company developing advanced non-surgical treatments to address unmet needs in the field of urology, with a focus on uro-oncology. The Company has developed RTGel™, a proprietary sustained release, hydrogel-based formulation for potentially improving therapeutic profiles of existing drugs. UroGen Pharma's sustained release technology is designed to enable longer exposure of the urinary tract tissue to medications, making local therapy a potentially more effective treatment option. UroGen Pharma's lead product candidates, MitoGel™ and VesiGel™, are designed to potentially remove tumors by non-surgical means and to treat several forms of non-muscle invasive urothelial cancer, including low-grade upper tract urothelial carcinoma and bladder cancer. UroGen Pharma is headquartered in Ra'anana, Israel and maintains a corporate office in New York City.

Forward Looking Statements

This press release contains forward-looking statements as that term is defined in the Private Securities Litigation Reform Act of 1995, including with respect to anticipated use of proceeds, the clinical development and commercial prospects of the product candidates in UroGen Pharma's pipeline and the scope and development of UroGen Pharma's product candidate pipeline, which statements are subject to a number of risks, uncertainties and assumptions. In light of these risks and uncertainties, and other risks and uncertainties that are described in the Risk Factors section of the preliminary prospectus for this offering filed with the SEC on January 16, 2018 and other filings that UroGen Pharma makes with the SEC from time to time (which are available at www.sec.gov), the events and circumstances discussed in such forward-looking statements may not occur, and UroGen Pharma's actual results could differ materially and adversely from those anticipated or implied thereby. Any forward-looking statements speak only as of the date of this press release and are based on information available to UroGen Pharma as of the date of this release.
